- A) On July 15th, 2024, I was moved from North Unit for not signing a staement saying that I was unsafe, at which time Mental Health Ms. Deeces instructed the guards to follow State Prison Protocal for not following orders. Mental Health Ms. Deeces said that Warden Edmark was concerned about the letter Plaintiff sent to there Parol Board concerning Clifford Avery's behavior.
- B) Plaintiff was handcuffed and taken to medical for psychiatric evaluation prior to going to S.H.U. after being ~~evaluated~~ evaluated was placed again in handcuffs an stood by the hallway and out of nowhere Sgt Cordcova who Plaintiff have filed many complaints removed the handcuffs on wrist and put his onto Plaintiff tight leaving cuff marks. Walked Plaintiff over to S.H.U. pulling on leff arm trying to get him to misstep or fall against him, instead of strip searching Plaintiff in a camera room he walked Plaintiff to G13 cell and did a stripp search outside of his body camera.
- C) About a hour later Sgt. CORDCOVA CAME TO CELL G13 and brought Plaintiff a bed sheet wrapped up two blankets, one tee shirt, 5 single soxes not matching, tablet, earbuds and charged, no hygiene products or legal work or the three boxes of legal work.
- D) On July 14th, 2024, while Plaintiff was filing a motion to Ne3w Hampshire Supreme Courtand also to U.S. District Court exposing Chief Justice as former attorney general concerning Plaintiff's Mandatory Appeal in the New Hampshire Supreme Court.
- E) In September of 2023 when Plaintiff filed the current lawsuit Plaintiff also filed a Objection to Executors Accountyng 5th Report to all Plaintiff's in that case from 7th Circuit Probate Court.
- The Objection that was filed to 7th Circuit Probate Court a copy that was sent to Plaintiff or disinherited US Naval Academy was returned claiming that this address didn't exist but on all court documents their address appears. Because the

attorney Lisa Strobel assented to a Fraudulent Accounting Report Because Attorney Alexendra Saanen Cote from McLane & Middleton filed this report with a TreasuryDirect Calculation Value Sheet from June Of 2017, knowing they didn't receive these thirty treasury bonds until after October 25, 2019.

F) When I was removed from North Unit 1A the guards took the three boxes of legal documents from my criminal case in 7th Circuit Superior Court 219-2018-CR-00413 and the Mandatory Appeal case in New Hampshire Supreme Court 2022-0647.

G) Plaintiff waited until July 29, 2024 to send a Inmate Request Slip to Property Manager asking for property and didn't get a response.

On August 2nd, 2024 I was moved to Hancock Building as Plaintiff couldn't understand why he didn't receive his property placed in storage, because every inmate that was leaving S.H.U. was given their property except Plaintiff. When Plaintiff was placed in Hancock Building and presently held wrote a Inmate Request Slip on August 15th, 2024 to property manager asking for his legal boxes plus property. On August 16th, 2024 Capt. Totten brought a laundry case with Plaintiff's belongings and the three boxes plus property. Capt. Totten refused Plaintiff's three boxes of legal documents and requested Plaintiff provide three active cases in court, and Plaintiff obliged by providing 5 active cases on a Inmate Request Slip.

H) On August 29, 2024 Plaintiff sent a Legal Notice to Warden Michele Edmark regarding these boxes of legal documents she refused to respond.

I) Around September 27th, 2024 a Legal Notice was sent to Commissioner Helen Hanks to this date no response.

J) Plaintiff has filed Grievances, Letters and Inmate Request forms to Governor Chrispopher Sununu, Attorney General John Formelli having no success, even notifying New Hampshire Supreme Court and US District Court no success.

K) Plaintiff then copied all of the court documents and tried to send out to the Internal Revenue Services, Federal Bureau

of Investigation, Department of Justice, Administrative Judge, Solicitor General and Department of Inspector General not knowing that New Hampshire State Prison Mailroom Sgt. and Cpl. was interfering and obstructing the mail to be delivered to these agencies.

Then on 9/11/2024 Plaintiff received 2 five day notices along with copies of each envelopes to all Federal and Court Agencies saying that the addresses were incorrect and not enough postage it didn't make sense because it was from the law library Federal Address book.

These envelopes contained many legal documents regarding the crimes committed by Assistant Attorney General Brandon Garod and James Comosa jr., and his legal team, Plaintiff also sent the Governor, Attorney General, New Hampshire Supreme Court and US District Court copies so no one could say they were not aware. Then Plaintiff sent New Hampshire Judicial Conduct Committee, US District Court and my unnamed attorney the 2 5 Day Notices, but Plaintiff sent his attorney copies of these envelopes.

6. Legal Claims

- A) Plaintiff has been deprived of his legal work for 87 days.
- B) Plaintiff has been deprived Access to Courts or Federal Agencies or News Media.
- C) Plaintiff has been deprived proper medical attention to be seen by a Pulmonologist for his lung disease of 15 years.

Re: 319-2017-ET-00797
To: Court Administration

I would like to bring a concern to the Court's Administration regarding a appeal that Defendant filed on Febuary 7th, 2024 as Defendant received a receipted copy of his motion. I have attached three pages that were not according to Rule 6 that Defendant had previous filed to this Honorable Court.

I wanted to bring it to your attention as the paperwork received was unreadable, there were two regular pages per page and per side of front to back. As this court know that any person serving time does not have access to E-Filing in any court settings, and as the State Prison solely violated Defendants legal mail, by opening his mail outside his presents an forwarding all pages of his original Appeal to your attention.

I ask you if it is exceptable to mail any documents that would violate any Court Rules or Laws, to show a abuse of power. Defendant has in Federal Court a lawsuit regarding abuse of power & position against NH State Prison for these types of violations against the Defendant and most of all denying to recognizing any Court proceedings or Rules.

Defendant isn't coming to you, to start trouble, but to clear out ~~my~~ any confusion that because a individual who files appeals will be consider a nobody who is serving time other than a person living a free life. I have witnessed and my wife have received a number of envepopes unsealed and tampered with as Defendant does received in the same way and have complained.

~~XXXXXXXXXX~~ Defendant intends to appeal every financial report that Mary G. Kibbe's Estate Administrator filed with the 7th Circuit Court as they have many decrepencies and violations to NHCOURT website under

New Hampshire Attorney ~~GENERAL~~ Generals Office who prosecutes cybercrime but not the cybercrime committed by James Comosa jr., and Middleton & McLane Law Firm on March 15th, 2018.

I am asking this court for a clarification to mailing a legal letter under this type of format if it would be acceptable with this courts rules. I would like to receive the proper documents to file a appeal and the fees and rules regarding an appeal.

Thank for your time and considerations into this matter

INMATE REQUEST: NP Croce, Nurse Wright, Warden Edmark, Commissioner Banks and Medical Director Mattis, I have been seeing medical appointments scheduled a number of times as I haven't requested, only to report a condemned Hancock Building were it has been condemned for 6 years. It isn't important enough for me to be removed or why was I placed in a condemned building with a pre-existing lung disease infested with BLACK MOLD, that is criminal. Each day that I am in the Hancock Building strengthens my class action and the thousand of inmates that you retaliate against for this class action in Federal Court. You have have not scheduled me with a Pulmonologist outside these walls as you have placed me on the schedule for medical every 15 days to have x-rayed my lungs to watch the progression. Do not concern yourselves with scheduling me as when the Department of Justice investigates your medical

INMATE REQUEST: started to place me on the schedule after my letters were forwarded to the Administrative Judge. The medical personnel are governed under the Medical Board also controlled by the Federal Government where The FBI will use the long arm of the LAW to prosecute each person involved who refused to follow the law, medical standards and appropriate medical care. You all know everything I am saying is the GOD's HONEST TRUTH, because you involved yourselves to inflict as much pain and trouble or place me in situations to aid, abetting and comforted the Attorney General and NH Supreme Court to coverup crimes against me to have engaged your services which are willingly makes you a criminal by the Federal and State Laws and Medical Standards. I know the my Lungs have been getting worst since being here by the heavy breathing and crackles at night so going to medical and receiving a x-ray that is barely visible, as I need a cat-scan or MRI to get better results.

These men and women were colleagues of the Judicial and Justice Branch of Government had the authority to hold judgement over people before they committed a crime. INMATE REQUEST: I also wanted to share that because I filed a lawsuit against the Governor, Attorney General, Warden, Commissioner, New Hampshire Supreme Court Chief Justice the prison guards have increased their terror to do cell searches, strip searches and any writeups to get these prisoners pissed off. They know that 11 inmates signed the petition motion to District Court so they are retaliated by trying to intimidate us by their constant harassmnet each and every night. I am sharing this with the taxpayers because every man and women working within these prison walls have participated to deny any request or lengthy delays so the inmates leave days, weeks or even months over their release dates. The incompetence this prison hires many family members or the veteran guards train new guards with the bad training conduct (if you need more space, use plain paper) that is violating the Federal and State laws and under their own training. INMATE REQUEST: Medical Director Paula Mattis, I am in receipt of the IRS, I sent on 9/19/24, I am responding to your comment, about having trouble accessing medical care or your position regarding endangering all of the inmates lives by living in a Black Mold infested and condemned building. Your ignorance to do your job and abuse your authority and position to please your political friends will place you and your political friends behind these very bars that you refuse to place each inmate into a safe environment with FRESH AIR from BLACK MOLD SPORES.

Do you recall the case regarding the Olympic Doctor who is now in Prison for sexually molesting the hundreds of young girls over his time as their doctor,

I don't need to get medical attention from a facility that doesn't recognize the proper standard of care. When a EMT reports conditions of hazard to their doctor, nurses and medical director these individuals outside these walls will do everything within their power to secure, their patiences to safety and submit proper standard of care, and punish the violators, PERIOD!

New Hampshire Supreme Court
United States District Court
Governor Christopher Sununu

Re: GOD'S POWER

Date: July 14, 2024

To: Your Honors

I wanted to share with everyone of you something special how
POWERFUL GOD ALMIGHTY IS!

Since I have been writing motions to each court from the 7th
Circuit Probate and Superior Court, New Hampshire Supreme Court, United
States District Court and New Hampshire Governor Christopher Sununu, there
has been not much progress to correct your ways and REPENT for FORGIVENESS
for your sins.

It wasn't until today the connections between MISCARRIAGE OF
INJUSTICE and BROTHERHOOD can become blurred when the people that you
appoint to positions of power, who can break the laws and rules that are
supposedly to protect and treat each person EQUALLY. This morning during
my reading the HOLY BIBLE and GLORIFYING AMIGHTY GOD, to serve you have
to make decisions and place judgement that is not favorable to the one
who ask you to bury or coverup.

The POWER OF GOD is upon each of you and do you want your
legacy to be held down while selling your SOUL to benefit yourself or
your party. As I have been forward with everything that I expose to you
today, that GOD will be bringing to LIGHT every good deed to be outweighed
by a decision or favor that injured one or many as your decision was not
fair or equal, as you have allowed one to commit crimes while punishing
one other. GOD treats each of HIS CHILDREN EQUALLY and we will be JUDGED
EQUALLY no matter your position, either rich or poor you will be held
according to your own deeds that you committed or assisted someone else
to benefit from their wrong, where others are punished for the same thing.

The funny thing is how GOD shares through the spirit to explain certain parables about situations or incidences are created to try to open peoples EARS and EYES to correct their ways before the coming of JESUS CHRIST the SECOND TIME. I believe that each of you were christians and you all have a personal connection with GOD that I can't interfere, but I come to each of you because each of you play a important part in this matter as my current case is in your courts.

When the Attorney's General Office began there investigation Assistant Attorney General Brandon Garod was incharge to proscecute my case, in 2017 over the last 7 years throughout the case and the present time. I have addressed from the very beginning that my privacy was invaded financially and personally where I am sentenced to New Hampshire State Prison for 10 to 20 years for unauthorize taken with a restitution of over \$495,000.00 very hefty, when in - fact I didn't take more than \$300,000.00. I have shared many sinuous where I have identify Attorney Garod misconduct, crimes and ethical violations that violate my rights according to New Hampshire and United States Constitution not to be deprived equal treament or protection within the due process of the law.

It is funny how GOD WORKS and the willingness for a person to stay FAITHFUL and BELIEVE enough to endure everything one man has created and interfered with me after being sentenced here, the corruption and conspiracy to presistencies that Attorney has employeed men and women in New Hampshire State Prison to engage in behavior that has been going on for generations. GOD has heard every prayer that every inmate has asked about the corruption within the walls at this prison and in New Hampshire Government as well in the Judicial Branch.

Whenever a person says those words it inflames individuals as I did in 7th Circuit Court with Judge Weaver at the time, I didn't realize the inpack regarding that comment would ripple, only GOD knew so I could be given the parable to uncover it today and share with everyone of you.

Each peice had to be created to allow each individual involved to have stumbling blocks placed before your feet that include everyone who committed the assaults against me while making each of you aware how the system that you defend and protect is serverely broken and the only way to fix is teardown completely and rebuild from scratch. I imagine that you are saying are you nuts, no not at all, I am sharing these things because you are the captains of the ship that each of your subordinates

are laughing that they are protected by all laws and brotherhood to be ineffective and deprive our clients the fairness of due process of the law we prescribe.

EXAMPLE

Attorney Garod, allowed James Comosa jr., hack into or change his email from JamesComosa to tidginginfaith492@gmail.com after removing Mr. Smith as google account holder for that address on March 8th, 2028 at the time I wrote a letter to acting Attorney General Gordon MacDonald about James Comosa jr., on NHCOURT website. Even though Mr. Smith didn't understand how much influence Attorney Garod had over people higher than he was to brush off the issue and deceive Attorney General MacDonald by not being truthful. Attorney Garod also deceived 7th Circuit Court Judge Weaver and Judge Howard and many other court officials so that James Comosa could mismanage the entire estate of Mary G. Kibbe and blame Mr. Smith removing more than \$495,000.00 as he has continued to expand his version.

In Mr. Smith's October 11th, 2022 sentencing hearing Attorney was instructed to submit a full version of exact moneys removed to be verified which he has never done, and also telling the court that the 30 Treasury Bonds were still in the Attorney Generals Office evidence room.

But in Estate Executor's Accounting Report for January 2022 - January 2023 the 30 Treasury Bonds were valued in June of 2017 of \$335,000.00, but Ms. Kibbe didn't pass away until November 11, 2017 and Mr. Smith sent certified mail to public defender David Betancourt and receiving a email on September 25th, 2019 acknowledging the inventory.

So in October of 2019 Attorney General Investigator Calice Ducey signed the top of October 2019 Calculation Sheet for the 20 Treasury Bonds for \$364,786.00, not \$335,000.00, instead of being a \$29,000.00 decrepency in-fact with 2022 Treasury Bond value should of been \$60,000.00 increase to the October 2019 value of \$364,786.00.

I am going to point out to you and bring this signerio to your attention because if anyon wants to silence or continue to punish a individual by engaging a two time murderer Clifford Eugene Avery to get Mr. SMith to assault him to receive more prison time. I stand before you

and testify this TRUTH.

In August 23rd, 2018 Mr. Smith wrote this letter to Attorney General Gordon MacDonald about cybercrimes, identity and other crimes committed by James Comosa and also the Justice Department prosecutes the same crimes each day.

Somewhere around 2020-19 Governor inacted a Executor's Order for the Attorney General Public Integrity Investigation Policies and Procedures, the Attorney General at the time was Gordon MacDonald who the letter was sent to on August 23, 2018.

Today while I was going through The New Hampshire Constitution 1784, this book was published January 2021 with Governor Christopher Sununu as Governor and Judicial Branch Chief Justice Gordon MacDonald who is the head of New Hampshire Supreme Court.

GOD wants to bring to LIGHT these main points concerning a number of issues on who can you give JUDGEMENT when in-fact there is many Skeleton in some closets, that maybe place each one in HELL rather than in GOD'S GRACIOUS.

Mr. Smith didn't understand the magnitude of the situation as each day goes by and the amount of communications that he shares with each of you from the very start of my sentence, who I was actually talking with about the differentcy of JUSTICE. Anyone can be placed in FALSE LIGHT for any means to who it may be benefitting, either financially, reputation, or partnership to gain ground so they think, until the day they go before GOD ALMIGHTY.

When I read part of the New Hampshire Constitution for United States Constitution how this document was created 250 years ago to give equal treatment and protection to every United States Citizens that would deprive LIFE, LIBERTY or PROPERTY without the due process of the LAW. This booklet can be used for CRAP PAPER, because accordingly being everything Mr. Smith has produced and show mountains of material evidence to open your EYES AND EARS. The reason GOD'S WRATH will be upon everyone is that what you think that is discussed behind close doors or in dark places will no be seen, GOD has witnessed everything and I stand before you given you tools to completely correct your ways. But many will say deny GOD'S Advise that your system needs a complete overhaul and replace all the corrupt individual that have been named in many lawsuits brought before your courts each year.

What you may not comprehend is that these individuals indirectly involved each one of you, who did not commit any of their crimes, as they deceived each of you to believing they are telling the truth. But GOD'S HONEST TRUTH is that these individuals have more to lose than you so they have control to change, falsify and report accurate information to keep getting into trouble or even fired and loss their benefits.

These individuals used their positions and friendship to get your trust that when anything is found out your INTEGRITY, YOUR REPUTATION, YOUR HONOR will be demised by this cloud over each one of you. Their evil deeds were not created by none of you so why will they benefit from that problem.

So how can the rules, laws, policies, procedures or protocols be made to follow when in-fact you yourselves have created or designed rules and laws but deprive certain few while awarding others worst than the first. I would like to be given the opportunity to present three different senerios that will blow your minds, but this can't be done without all of your help, what I will show you can save the state of NEW HAMPSHIRE over BILLIONS OF DOLLARS OVER THE YEARS TO COME. I myself didn't expose this GOD did, through me for all of you to REPENT, ask for FORGIVENESS and get MERCY in the KINGDOM of HEAVEN, but HELL always has room.

GOD BLESS

Respectfully Submitted

Michael R. Smith

When all of the defendants received the last amended motion to district court my life will be in eminent danger and Clifford Eugene Avery will increase his pressure.

Sgt. Kelley would not move Mr. Avery instead he moved Emilo because Lt. Copps said to after Sgt. Kelley refused to move Emilo because of the dangerous situation Mr. Avery has placed on Mr. SMith and the two witnesses.

INMATE REQUEST: Commissioner Hanks and Warden Edmark I can see that you hired contractors to fix the roof as they are sucking up the roof contents but are you also aware that every inmate and staff are receiving the BLACK MOLD SPORES from their work. I still don't understand the reasoning behind having inmates living in a condemned building infested throughout this building as the BLACK MOLD particles are coming through every vent system. I feel it harder to breathe since being placed here on August 2nd, as I have sent many Grievances to each of you. Your actions are grossly negligence and criminal to say the least wasting TAXPAYERS MONEY trying to patch a condemned Building that needs total destruction to remove the deep growth without and within the walls, ceilings and foundations. As this BLACK MOLD is throughout each Building.

INMATE REQUEST: I am in receipt of your two 5 Day Notices with threats of destroying the documents within these envelopes and to these agencies which contain evidence that crimes were committed. I want to give you a education lesson, you shared with me that the Annex account pays for postage free of charges to inmate that are sent to the agencies within the prison guidelines under legal mail section 7. The two letters that you intercepted are these agencies, Judges and Judicial are within the same (COURTS) Administrative and Committee(Administrators of Courts) the Judicial Branch(COURTS, JUDGES) and the 11 envelopes in the last three 5 Day notices were from the JUSTICE BRANCH (US ATTORNEY GENERAL, DEPT OF JUSTICE, FBI, IRS, and SOLICITOR GENERAL) who PROSECUTE Crimes. Also in the guidelines under section M. Investigation (if you need more space, use plain paper) Bureau cooperation with NH State Police and Local Police Dept. IS that RIGHT?

INMATE REQUEST: As you know that it is a FEDERAL CRIME to OBSTRUCT JUSTICE or
even threaten to destroy evidence through the Postal Services even more to
reporting crimes to Federal Agencies, you interfered with 13 envelopes that is
13 federal charges, but you enhanced these charges by the threat to destroy
to Intimidate, Harass and Retaliate a VICTIM of A CRIME and A WITNESS to a
CRIME. The two 5 Day Notices are not going to be returned because they are
considered more evidence that each of you created against yourselves, and
further your sorrow is that a copy of both of these 5 Day Notices have been
forwarded to NH Judicial Conduct Committee to help them in determining the
additional charges against you and your co-conspirators. Each one of you have
done everything to place a heavy burden on me by refusing to return these
documents, causing me to go and make additional copies, also marking the stamps
 (if you need more space, use plain paper) on these envelopes unuseable, the need to purchase
additional stamps for postage. I wonder how you will explain this matter to the Administrative Judges and Judicial Conduct Committee who

INMATE REQUEST: I noticed today that you had scheduled three more medical appointments, even after I had sat in your office telling you about the crimes committed by the prison officials and up to the governor. I have attached a number of copies of IRS'S and District Court motion to know that Federal Laws were broken so you and your colleagues there in medical can see what this prison administration have placed you and your careers into jeopardy that is beyond criminal. Hearing Nurse Debbie in the control room rudely comments about me shows how intelligent she shows everyone, that she believes she is untouchable but she will be surprised when she is sitting in a prison cell. Nurse Chris, Nurse Debbie, Nurse Wright, Dr. Beniot and Medical Director Mattis is just a few number to name the majority in coming weeks. You said that you have makes complains to administration and it goes no ware, then you find away to get it medical problem or safety issue resolved, ignorance is not a excuse of the law.
